---

Thank you very much!

Be well

Jose

**Subject:** Return phone call --

Sorry I didn't return your phone call Friday. I was out of the office. I also had assumed, perhaps incorrectly, that you had heard from Paul regarding the PESHU project while I was out on vacation earlier this month.

I'll be attending the meeting with Dawn on Tuesday and will fill you in if you like when I return in the afternoon.

Hope all is well with you.

Flaire
